

Faculty Committee on Educational Technology

Unapproved minutes, meeting of Wednesday April 2, 2003

Maybank Room, Maybank Hall

The meeting was called to order at approximately 9 am.

Present: Brenton LeMesurier, Chair; W. Frank Kinard; Jeff Wragg; and David Cohen, ex officio.

1. The minutes of the February and March meetings were approved without change.
2. The chair reported on the results of the survey of department chairs on IT Literacy expectations of incoming students and possible software for assessing and teaching such skills. The one recurring response not covered by previous proposals was that students know how to assess the reliability of internet resources, and the limitations of internet research. A fuller summary is available.
3. Other agenda items did not lead to any action; in particular it was decided that no additional meeting needed to be scheduled for this semester.
4. **Adjournment:** The meeting adjourned at approximately 9:45am
